Linda,  
Thank you for the input. Items #1 and #6 could be brought back easily. I think Paul Walsh could arrange for their return, or we might be able to pick them up with our truck. Someone from DPH will have to make arrangements to move the other items from Fernald to Tewksbury. I can provide the name of a mover if necessary. Thanks again.

Jim

Hi Jim:

These are the SLI items that I think are currently being stored at Fernald, and where we'd like the items to go:

|   |   |   |
|---|---|---|
| 1 | Record storage boxes, 11                            |   |
| 2 | Light box, Logan Truview                            | To Tewksbury (no one here wants this, but maybe Tewksbury can use this) |
| 3 | Slide viewer  | To Tewksbury (no one here wants this, but maybe Tewksbury can use this) |
| 4 | Table, chrome legs                                  | To Tewksbury (no one here wants this, but maybe Tewksbury can use this) |
| 5 | Biosafety cabinet, Baker Sterichemgard III, Advance | to Tewksbury  |
| 6 | Plastic rolling cabinet, Metro Starsys              | To SLI, Julie Nassif  |
| 7 | Biosafety cabinet, Baker Sterichemgard III, Advance | to Tewksbury  |

Julie, could you confirm that you'd like to have the rolling cabinet here?

The 11 record storage boxes belong to Barbara Werner. They can't stay at the Fernald, and they should not go to Tewksbury. I'm waiting to hear back from her, but I guess a temporary solution would be to send the boxes back here, and then they can either be appropriately destroyed or stored elsewhere.

Thanks,  
Linda

Hello,  
I reviewed the "off-site and retain" list and there is nothing I want that is left on the list. Unless either of you are interested in keeping this stuff I am going to ask Paul to "surplus" the DPH items. Let me know.  
Marcia
